National presence

Judy DeWeese, Mauze Construction, will be installed in late August as the 2009-2010 national vice president of the National Association of Women in Construction (NAWIC).

The ceremony will take place at the close of the national convention in Phoenix, AZ.

DeWeese is a former president of the NAWIC San Antonio Chapter and former Region 7 director. She is currently completing her second year as NAWIC national secretary. She has been a member of NAWIC since 1978.

"The San Antonio Chapter of NAWIC is extremely proud of Judy and her accomplishments, and we feel very honored to have her as a member," said Jennifer Swinney, NAWIC San Antonio Chapter president. "We stand behind her 100 percent as she continues to advance at the national level, and we appreciate her continued support of our chapter and this organization." -kf
